Quote of the week.....
"We all have the extraordinary coded inside us, waiting to be released."
-Jean Houston

WHAT'S HAPPENING??

CHECK OUT NORTHRUP'S NEWS!!!

In Social Studies we will be identifying characteristics of good citizenship and understanding communities. Looking in depth about some Dripping Springs history and timelines.
In Math we will be starting addition.
In Science we will be looking at matter and its 3 states: solid, liquid, and gas. We will also look at physical properties.
In Writing we will be focusing on personal narratives.
In Reading we will be making connections, making predictions, drawing inferences, sequencing, and comparing experiences that characters experience in various stories. Focus on adjectives.
SOCKTOBER has begun and we are taking donations for our Socktober homeless bags. Donations can be sent to our room and can be socks for both adults and children, cases of water, nutritional bars.
DON'T FORGET: Check your child's agenda each night!!! Each night your child should read for 20 minutes. If your child is reading a chapter book, try to read one or two chapters a night.
