Dough & Degrees: Invest in yourself!

Papa John's Dough & Degrees program provides free or reduced tuition to eligible PJFS team members and franchise team members, as well as to their household members.

Papa John's partners with these schools to provide this benefit:

- **Purdue University Global**
- **University of Maryland Global Campus**

We're making higher education more accessible for all Papa John's team members.

Papa John's is proud to offer this tremendous career growth opportunity! Our Dough & Degrees partner schools offer a variety of degree programs [see below].

Investing in our team

Papa John's is delivering something special to team members and their families: free and/or reduced college tuition through the Dough & Degrees program. Papa John's is excited to provide Dough & Degrees, an education program that helps you deliver! From doing our part to reduce student loan debt, to providing a safe, virtual learning environment and making an investment in our team members, Dough & Degrees is designed to meet you where you're at in your learning journey. Dough & Degrees is designed to help you overcome those obstacles! We help you with the cost of college, and the online learning format gives you the freedom to learn on your schedule.

Papa John's will pay for 100% of team members' tuition, as well as the cost of textbooks.

This is a benefit of up to \$21,000 [average cost of a four-year degree].

- **Purdue Global** will provide 20% off undergrad and 14% off grad tuition rates for family members.
- Team members can take up to two classes at a time to earn the degree of their choice.
- **University of Maryland Global Campus** will provide 25% off the standard out-of-state rates for household members, which includes all course materials.
- Team members can take up to six classes per year to earn the degree of their choice.
