

Audio/Visual Technician Mount Olive Lutheran Church

The ideal candidate must be a practicing Christian, and will be:

- proficient in operating a sound system (soundboard, amps), service screens operation and service software, and in live-streaming services (camera operation, platform access, A/V mixer operation)
- available to work two Sunday morning services, including 30 minutes before the first service, the time in between services, and time for shutdown after services.
- open to taking direction from Pastor(s) and Music Director
- open to making last minute additions/changes in service screens (typically for sermon notes)
- open to working with and instructing/directing congregation A/V volunteers

Must be able to climb one flight of steps to the AV equipment location. Position open immediately.

This is a part-time position, approximately 4 hours on Sunday mornings.

Mt. Olive Lutheran Church and Preschool is located at: 10408 Hwy 290 West, Austin, TX 78736. www.mtoliveaustin.org

Serious inquiries only. Please send resume or interest letter outlining experience to: hr@connectwithjesus.org

References will be requested for final candidates.
