### TEN ON ALL-REGION CHOIR

Ten Dripping Springs High School students were selected for the TMEA (Texas Music Educators Association) All-Region Choir based on auditions held Oct. 14, 2017. All-region students were: Meredith Anderson, James Bartling, Ainsley Gamble, Bailey Hudgeons, Katie Lynch, Shaylin Mayhew, Cooper Minton, Juliane Paine, Claire Tole, and Juliana Ussia.

These students will get to perform with the All-Region Choir on November 5 at the Austin ISD Performing Arts Center.

All-region recognition is the first step in the all-state process. The next audition, Pre-Area, will be on Nov. 14. If they get selected to advance at that round, they will go to the Area audition in January for a chance to make the All-State Choir. Each round of auditions gets progressively more difficult, with new music that must be learned for each round.
