### **DRIPPING SPRINGS ISD DOMAIN NAME TO CHANGE**

DRIPPING SPRINGS, Texas—Dripping Springs ISD will be changing its domain name in July, which will affect the district's website address and all e-mail addresses of staff. The new domain name will be [www.dsisdtx.us](http://www.dsisdtx.us). All staff e-mails will be "firstname.lastname@dsisdtx.us". The new url will go into effect in July but all web traffic and e-mails will automatically be redirected without any action from the user. This redirection will occur seamlessly until late this fall. It is recommended that parents who use the website or any pages on the website change their bookmarks accordingly before school starts.

During the transition, which is likely to occur July 1, the district website may be unavailable for all or part of one day.
