DSMS Basketball Teams Captured District Titles

Three of four Dripping Springs Middle School girls' basketball teams captured district titles this season, as did the boys' eighth-grade B team. DSMS competes in the six-school Highland Lakes District.

Both seventh-grade girls' teams (A & B) captured league titles, as did the eighth-grade B team. All three teams were undefeated with 10-0 records. Angela Smith coaches the seventh-grade A team and Ashley Foster leads the B team. Kim Harlow is the eighth-grade B team coach.

The eighth-grade boys B team was 14-2 overall and 9-1 in the district. Highlights included being runners-up in the Leander Tournament and winning all three games in the San Marcos Tournament. The team is coached by Jay Hauser.
