**DATE:** February 25, 2016

### **Meetings to Introduce Strategic Plan**

Dripping Springs ISD is rolling out a new five-year strategic plan (2016-21) and brand this spring and is planning two public meetings to share information. Both meetings will be held in the Board Room at the DSISD Administration Building (510 W. Mercer St.). The first will be Thursday, March 3, at 6:00 p.m. and the second is Tuesday, March 29, at 8:00 a.m.

The new strategic plan, which focuses on personalized learning, was developed with input from stakeholders starting in the summer of 2014. The basic framework – including goals, objective and strategies – was approved by the Board of Trustees in July of 2015. The district’s Visionary Leaders team then fine-tuned the action steps of the plan, which is a live document and will be updated over time. A “heat map” on the strategic plan webpage also will track progress. While some aspects of the plan already have started in some form, full implementation will begin during the 2016-17 school year.

In addition, a new “brand” for the district representing the concept of personalized learning through a “Signature Education” is being introduced.

The entire DSISD strategic plan can be viewed at: [www.dsisdtx.us/strategicplan](http://www.dsisdtx.us/strategicplan). In addition, an introductory video for the plan will be shown at the meetings. It will be posted on the district website later this month.
