DRIPPING SPRINGS ISD ROLLS OUT STRATEGIC PLAN, BRAND

DRIPPING SPRINGS, Texas—Dripping Springs ISD is rolling out a new five-year strategic plan (2016-21) and brand this spring.

The new strategic plan, which focuses on personalized learning, was developed with input from stakeholders starting in the summer of 2014. The basic framework – including goals, objectives and strategies – was approved by the Board of Trustees in July of 2015. The district’s Visionary Leaders team then fine-tuned the action steps of the plan, which is a live document and will be updated over time. A “heat map” on the strategic plan webpage also will track progress. While some aspects of the plan already have started in some form, full implementation will begin during the 2016-17 school year.

In addition, a new “brand” for the district representing the concept of personalized learning through a “Signature Education” is being introduced (see graphics below).

A second public meeting to discuss the strategic plan is scheduled for Tuesday, March 29, at 8:00 a.m. in the Board Room at the DSISD Administration Building (510 W. Mercer St.).
