### **District of Innovation Public Hearing**

The DSISD District Advisory Council (DAC) is holding a public hearing on Wednesday, May 18, at 6 p.m. in the Board Room at the DSISD Administration Building. DAC will be presenting the DSISD District of Innovation Plan that has been developed by the Board-appointed Districts of Innovation Planning Committee for public comment. Upon DAC approval, the plan then will be posted online for 30 days before it is presented to the Board of Trustees to consider for approval on June 27, 2016.
