DSISD WELL-REPRESENTED AT STATE CONFERENCE

The Dripping Springs ISD was well-represented at the 2015 TASA/TASB Conference held at the Austin Convention Center recently. The attendees of the conference were school administrators and school board members from across Texas.

Advanced Biotechnology students from Dripping Springs High School had the opportunity to present in the student demo area of the recent TASA/TASB State Conference. Eight Dripping Springs students attended: Sarah Alvarez-Galindo, Insiya Aziz, Ula Dobrut, Karen Kaur, Jenna Lawrence, Reid McClintic, Mark Spelman, and Clara Strassburg. They demonstrated how to create an electrophoresis chamber out of everyday objects as well as explaining the electrical and chemical reactions occurring inside the chamber to make it work.

In addition Superintendent Bruce Gearing, Board president Barbara Stroud and Board Vice President Shelly Reeves led a session titled: "Superintendent Evaluation and Board Goals: Ensuring Alignment."
