### **FFA STUDENTS QUALIFY FOR STATE**

In the past few weeks FFA students from Dripping Springs High School have participated in several Career Development Event (CDE) competitions, including the Texas A&M Area State-Qualifying Contest. At that event, DSHS had two teams qualify for the state competition later this month.

In the category Livestock Evaluation, of 64 teams entered, Dripping Springs placed fourth to qualify for state competition. The team consists of Ashtyn Bode (who also was the fourth-highest scoring individual), Hannah Fults, Grace Baxter, and Kyle Herron. Alternates were Cade Oldham and Cece VanTrease.

The Entomology teams also placed fourth to earn a spot in the state event. Team members were Will Murley (who was the ninth-highest scoring individual), Josh King, and Cayla Cohen.
