DSHS WINTERGUARD EARNS BRONZE MEDAL AT STATE COMPETITION

The Dripping Springs High School Varsity Winterguard completed a successful competition season by earning the Bronze Medal at the Texas Color Guard Circuit State Championships. Out of a field of 28 teams from across the Central Texas, San Antonio and Houston areas, the Tiger Winterguard placed third in the Scholastic National A Class. This year's show, titled "Primary Anarchy," was set to the fast-paced music of Sergei Prokofiev, using primary colors and performed on a hand-painted image inspired by the Spanish contemporary artist Juan Miro.

This year's success continues a strong DSHS Winterguard tradition that included a state championship and finalist status at the World Championships in 2016.
