### **Volunteers Sought for Portfolio Panels**

Each spring Dripping Springs High School graduating seniors make a portfolio presentation for assessment before a panel consisting of educators, community members, parents, and professionals. This portfolio process and assessment assists in the development and measurement of standards that DSISD feels critical to graduates' success in post-secondary education and in the workplace. This year portfolios will allow personalized options for the student presentations and a more structured feedback process for the panel.

The DSHS senior class will have more than 350 students presenting portfolios. The organizing committee is now seeking individuals with all types and levels of expertise to sit on these portfolio panels and help in the evaluation process—either as a parent/community member, as a professional, or both.

The presentations are scheduled for April 3-7; April 10-13; and April 17-20. Morning sessions are 8:30 a.m.–12:30 p.m., and afternoon sessions are 12:30 p.m.–4:15 p.m.
