Community Education Opportunities Available

The Spring 2017 catalog of courses and activities offered through the DSISD Community Services Office is now available. DSISD offers educational and enrichment opportunities for all ages.

Elementary-aged students can sign up for after-school enrichment classes like various sports, Spanish, chess, dance, Legos, science, cooking and art. Classes typically run one day a week for 2-3 months. Classes begin the week of Feb. 21, 2017, at all three elementary campuses.

Pre-school enrichment classes are available for children ages 2-5 and include dance, Spanish, and soccer.

Driver Education, Spanish, skateboarding and babysitting courses are offered for teenagers.

For adults, several learning opportunities are offered such as CPR, first aid, dog training, Spanish (and English for Spanish speakers), investment strategies, yoga, karate, GED preparation, and more.

Some single-day events also are offered like the Father-Daughter Ball, Mother-Son Dance, and Valentine's Date Night child care.

Dripping Springs ISD Community Services also offers after-school care for elementary students (Kids Club) and early-morning care for middle-school students.
