### **DSHS STUDENTS COMPETE IN F1 EVENT**

A team of Dripping Springs High School students were successful at the Regional F1 in Schools Competition held Jan. 21 at Circuit of the Americas. A total of 19 high school teams were entered in the competition, which involved racing hand-built cars, a verbal presentation, and interview about the engineering of the car, pit displays, and marketing. The DSHS team, 'Innovative Airflow Technology,' had the second-fastest time overall and were awarded the trophy for the Best Rookie Team. The DSHS team is one of the five teams that will advance to compete at the 2017 F1iS U.S. Nationals at Circuit of the Americas in June. Team members were: Mason Bush, Aubrie Caldwell, Skylar Daniel, Kenneth Gossett, Cade Nowicki, and Elliott Turner.
