STAAR REPORTS TO BE POSTED JUNE 30

STAAR scores for students who took one or more tests in the spring of 2017 will be available at the end of this month on the TEA website. The district will follow through with a mailing of hard copies of reports once they have been received and processed later this summer. The TEA has provided instructions (in English and Spanish) about how to view the information online starting June 30, 2017.
