### **Reserved Seats for 2017, 2018 Football Seasons To Go on Sale**

The Dripping Springs ISD Athletics Department is selling chairback reserved seat tickets for the new Tiger Stadium to the general public from Oct. 4-13, 2016. Tickets already have been made available to current season ticket holders and parents of DSHS students. Tickets are being made available for both the 2017 and 2018 seasons.

Construction is currently underway to transform the practice field behind Dripping Springs High School to the stadium that was funded by the 2014 bond. The number of reserved seats will increase from about 800 at the Current stadium to 1,334 at the new facility.

Members of the general public may purchase Reserved Section season tickets for the new stadium starting Tuesday, Oct. 4, through Thursday, Oct. 13, for both the 2017 and 2018 football seasons. Pre-sale purchases may be made at the Athletic Office Field House from 9:00 a.m.-4:00 p.m. on Tuesday, Wednesday and Thursday only. Cost per seat is \$175 (for both seasons).
