DSHS Choir Program Recognized at UIL Concert and Sightreading Evaluation

The Dripping Springs High School choir program was represented by three groups of students at the UIL Choir Concert and Sightreading Evaluation. At the event, each of the three choir groups (Chamber, Concert, and Treble) performed a concert repertoire and an un-prepared piece (sightreading) in front of two different three-judge panels. Each judge gave the choirs a rating from 5 (Poor) to 1 (Superior). The goal in the event is to receive "Sweepstakes" or overall Superior ratings in both concert and sightreading categories.

At the event, all three DSHS choirs received Sweepstakes, and each choir also received Superior ratings across the board - achieving a total of 18 "1" ratings.

The DSHS choir program is led by Courtney Neva.
