DSHS FOURTH IN LONE STAR CUP

Following the last update to the 2017-18 Lone Star Cup standings that included baseball and softball, Dripping Springs High School was tied for fourth in Conference 5A with 76 points. This marks the best-ever finish for the Tigers. Also posting 76 points was Aledo High School. The top 5A schools were Prosper High School (102), Highland Park High School (83), and Humble Kingwood High School (81).

Lone Star Cup points are awarded based on their team performance in district and state championships. The winning schools in each classification will receive the UIL Lone Star Cup trophy and a \$1,000 scholarship. All events have been tallied for the current year: state and area marching band, tennis, team tennis, cross country, volleyball, football, swimming and diving, wrestling, girls' basketball, soccer, golf, track and field, academics, one-act play, softball, and baseball. The standings do not become official until early July.
