### **DSISD BOARD HONORED**

The Dripping Springs ISD Board of Trustees was honored at the TASA/TASB Convention Sept. 29 as a 2018 Regional Honor Board. Board Vice President accepted the award. This is the second consecutive year that the DSISD Board has been chosen for this honor, which also positioned the board as the Region 13 nominee for Outstanding School Board of the Year. The Grapevine-Colleyville ISD School Board was honored at the conference with the statewide award.

Texas school superintendents who belong to TASA and meet other criteria may nominate their boards of trustees for the TASA School Board Awards. Committees of TASA members organized by Texas' regional education service centers review the nominations and select up to two school boards for consideration for the state-level awards: one with fewer than 1,000 students and one with 1,000 or more students.

The DSISD Board consists of Carrie Kroll (president), Barbara Stroud (vice president), Ron Jones (secretary), Marisa Grijalva, Dr. Mary Jane Hetrick, Shannon O'Connor, and Jon Thompson.

The TASA School Board Awards Program was established in 1971 to recognize the dedication and service of school boards that make a positive impact on the school children of Texas.

TASA is the professional association for Texas public school administrators, providing networking and professional learning opportunities, legislative advocacy, and targeted communications to support the work of superintendents and other school leaders. The organization's mission is to promote, provide and develop leaders who create and sustain student-centered schools and develop future-ready students.
