DRIPPING SPRINGS ISD RECEIVES UNQUALIFIED OPINION IN AUDIT

DRIPPING SPRINGS, Texas—The Dripping Springs Independent School District received an unqualified opinion (the best opinion a district can receive in an external audit) in the 2012-13 final audit that was presented at the November 18 Board meeting. No significant deficiencies were found by the accounting firm Padgett Stratemann, which completed the audit.

“Dripping Springs ISD continues to stand on sound financial footing despite challenges we have faced over the last several years,” said Superintendent Bruce Gearing. “One of our highest priorities in the coming years will be providing for our continued growth in student enrollment.”

The audit report also stated that DSISD was in compliance with requirements for local governments and non-profit organizations.

DSISD’s budget ended the year with a surplus, which exceeded the district’s goal of balancing revenues and expenditures.

Earlier this year, DSISD received a perfect score and Superior rating on the FIRST (Financial Integrity Rating System of Texas) report.
