DRIPPING SPRINGS ISD RECEIVES PERFECT SCORE ON FIRST RATING

DRIPPING SPRINGS, Texas—The Dripping Springs Independent School District has earned the highest rating of “Superior,” according to the recently released Texas FIRST (Financial Integrity Rating System of Texas) report. DSISD received a perfect score all 20 criteria that are considered in the rating determination. A public hearing on the report will be held beginning at 6:00 p.m. at the Board of Trustees meeting on Oct. 28, 2013.

The FIRST rating, which has been issued for the past 11 years, measures the quality of school districts’ financial management and reporting. The primary goal of FIRST is to achieve quality performance in the management of school districts’ financial resources, a goal made more significant due to the complexity of accounting associated with Texas’ school finance system. This recent designation is based on financial information from the 2012-13 fiscal year. Dripping Springs ISD has received a Superior Rating every year since the FIRST system’s inception. Criteria that are measured include: fund balance, tax collections, results of annual audit, staffing ratios and investment earnings.

The Schools FIRST accountability rating system assigns one of four financial accountability ratings to Texas school districts, with the highest being “Superior Achievement,” followed by “Above-Standard Achievement,” “Standard Achievement” and “Substandard Achievement.”
