DSISD HOLDS COMMUNITY NIGHTS IN CENTERS FOR LEARNING AND INNOVATION

DRIPPING SPRINGS, Texas— All five campuses in the Dripping Springs Independent School District (DSISD) will hold a “Community Night” in their Centers for Learning and Innovation during the month of October. This year DSISD has placed emphasis on the Centers for Learning and Innovation, formerly known as Libraries, to serve as campus hubs. In addition to traditional library services, the centers offer technology for use by students, as well as space for collaboration and even a video production center.

During the Community Nights, students, parents, and community members may visit a center to access WiFi, use a laptop or iPad, play a game, read books, or ask questions of staff. All campus events will run from 5:30-7:30 p.m. on designated nights. The schedule is:

Rooster Springs Elementary	Thursday, October 3
Dripping Springs Middle School	Tuesday, October 8
Dripping Springs Elementary	Wednesday, October 16
Walnut Springs Elementary	Tuesday, October 22
Dripping Springs High School	Tuesday, October 29

Visitors do not need to check in at the front office, but are asked to enter at the front door and stay in the center for Learning and Innovation.
