

**DATE:** May 24, 2018

### **SYCAMORE SPRINGS TIME CAPSULES TO BE PLACED**

Dripping Springs ISD's newest schools – Sycamore Springs Elementary and Sycamore Springs Middle School – will celebrate the completion of their inaugural year by dedicating time capsules on Tuesday, May 29, 2018. The two capsules, one for each school, will be opened in 25 years. They will be placed at the base of murals located near each school's cafeteria entrance and include items representing the 2017-18 school year. A ceremony will begin at 6 p.m. in the Sycamore Springs Cafeteria to present the items that have been collected and to dedicate the time capsules. In addition, Becca Borelli, the mural artist, will be present for the ceremony.

A local scout, Dripping Springs High School freshman Luke Medina, is helping to coordinate the event for his Eagle Scout project.
