SENIOR PORTFOLIO PANEL VOLUNTEERS SOUGHT

Each spring graduating seniors at Dripping Springs High School make a portfolio presentation for assessment before a panel consisting of educators, community members, parents, and professionals. This portfolio process and assessment assists in the development and measurement of standards that DSISD feels critical to our graduates' success in post-secondary education and in the workplace. The senior portfolios allow personalized options for the student presentations and a more structured feedback process for the panel.

The DSHS senior class will have more than 430 students presenting portfolios. Many portfolios means many volunteers will be needed. Volunteers with all types and levels of expertise are being sought to sit on portfolio panels and help in the evaluation process—either as a parent/community member, as a professional, or both. The presentations are scheduled for April 15- May 3. Morning sessions are 8:30 a.m.–12:00 p.m., and afternoon sessions are 12:30 p.m.–4:00 p.m.
