### **DSISD SPECIAL OLYMPIANS ARE SUCCESSFUL**

Dripping Springs ISD students from the high school, Dripping Springs Middle School, Sycamore Springs Middle School, and the 18+ program posted strong finishes at the Special Olympics Area 13 Basketball Competition. This was the first time ever that Dripping Springs schools participated in the basketball event.

Two DSISD teams competed in the Team Skills event. The team featuring Dripping Springs students (including 18+ program members) Trinity Turner, Myriel Thomas, Brandon Neffendorf and Taylor Thorp placed first in their division. The team of David Pringle, Brendon Willis, Aly Howes, Lance Seggelink, and Kylie Euston was second in their division.

In addition, the Dripping Springs three-on-three team of Lee Skipper, Tony Touvre, Brant Higerson, Miguel Standridge, and Alex Hier finished second in their division.

DSISD students competed in the Special Olympics bowling competition earlier in the year; the district plans to send students to the Special Olympics track and field event as well.
