DSISD STATE OF THE DISTRICT PRESENTATIONS

Dripping Springs ISD will hold two “State of the District” presentations for community members and parents in early November. The evening presentation will be Wednesday, Nov. 7, at 7:00 p.m. at the Sycamore Springs Elementary cafeteria (14451 Sawyer Ranch Rd.). The morning presentation will be Thursday, Nov. 8, at 8:00 a.m. in the Lecture Hall at Dripping Springs High School (940 Highway 290 West). The same presentation will be given both days.

Superintendent Bruce Gearing will share information on topics such as the district’s vision and goals, academic performance and extracurricular achievements of students, financial status of DSISD, and future planning. The assistant superintendents also will share information. Audience questions will be welcomed.

Torchy's Tacos at Belterra is generously donating tacos for both presentations.

At Sycamore Springs, those attending should enter in the main driveway loop and park near the back of the elementary side. Because students are not on campus, it is not necessary to check in at the front office. At DSHS, visitor parking is at the front of the building and guests should check in with a driver’s license at the front office to get a visitor’s badge.
