Agreement to Conditions

This request is made with the full understanding of an agreement with the following conditions:

- The request for transfer must be renewed each school year for the student to remain at the receiving school.
- In approving transfers, the superintendent or designee shall consider availability of space and instructional staff, the student's disciplinary history, and attendance records.
- The District accepts NO responsibility for transportation of a transfer student, except as provided by statute or policy.
- Students approved for transfer must follow all rules and regulations of the district, including those for conduct and attendance; a violation of the District's rules and regulations may result in revocation of the transfer.
