Tee It Up - TGA Premier Junior Golf (Gr. K-5)

TGA Premier Junior Golf brings the golf course to your school! Our national, award winning, 5 level program is specially designed for children and builds upon the educational concepts they are learning in the classroom including math and science. Fun comes first in every TGA class, but our curriculum also focuses on improving motor skills and physical fitness as well as instilling self confidence and life values through professional golf instruction. Students learn the fundamentals, etiquette and rules of the game in the comfortable environment of your school campus. Best of all, we provide all the equipment and training materials so children of all skill levels have the chance to come out and tee it up with TGA!

TGA Premier Youth Tennis (Gr. K-5)

Come serve it up with TGA Premier Youth Tennis at your school! TGA has partnered with the USTA to create a fun and innovative tennis program for your child that takes place after school on campus. TGA's 5 level elementary school curriculum includes games, drills and physical fitness activities that improve motor skills, agility and hand-eye coordination. Every TGA class focuses on academic concepts developed by educational experts, the rules and etiquette of tennis and skill development. TGA brings all of the equipment and training materials. Our goal is to not only develop our student's tennis skills, but to give children the building blocks for future achievement on the tennis court and in life.
