

Our successful Reading Buddies program will return IN PERSON this summer and we need teen volunteers. The Reading Buddy program pairs young readers going into first and second grade with teen volunteers for a half hour of reading encouragement, games and learning activities. The goal is to make reading fun; this is not a tutoring session.

Reading Buddies takes place every Monday with sessions scheduled between 11-2. There will be a mandatory, in person, orientation for all Reading Buddy volunteers on June 2 from 1-3. You must attend that orientation to volunteer as a Reading Buddy.

The Library needs Summer Event Assistant volunteers to help with our in person reading programs. We are now accepting applications for those shifts. We will be contacting event assistant volunteer applicants in the middle of May to get you signed up for those volunteer opportunities.

Please submit your volunteer application online at <https://www.dscl.org/faqs/teen-volunteers/> or stop by the library to pick up your teen volunteer application. You will be contacted the first of May to be added to the Reading Buddy teen volunteer list, because we do have limited volunteer slots for this program.
