

The Rotary Club is looking for volunteers to help with parking at the Founder's Day event on Saturday April 23<sup>rd</sup>.

Event parking will be in the high school and stadium parking lots. There will be 2 shuttle buses running from the parking lots to the edge of the Founder's Day event.

There will be 3 stops in the parking lots. They would like to have 2 students at each parking lot stop to help Rotary Club members assist people attending Founder's Day event on/off the shuttle buses that will be running. They would also like 2 students to help people on/off the buses at the tent where people will be dropped off to enter the Founder's Day event

They would like the students to work a 4-hour shift -- either 9:00 am - 1:00 pm or 2:00 pm - 6:00 pm.

Those interested in earning community service hours please contact Karen Griffin at [klgtx@yahoo.com](mailto:klgtx@yahoo.com)
