2019UIL INFORMATION

Rooster Springs Elementary School students, teachers, and coaches are preparing for the start of the Fall U.I.L. academic season. The University Interscholastic League (U.I.L.) offers a variety of academic contests that provide academic challenges and opportunities to reach greater levels of achievement for students beginning in second grade. There is no cost for participation. All sessions will be held on Tuesdays 3:00-4:00 with the exception of Ready Writing which will be held on Mondays from 3:00-4:00. (No coaching sessions will be held on our early-release days.) The local RSES contest meet will be held after school during regular scheduled times on Tuesday, October 29. Our district meet, for those who qualify, will be on Saturday, December 14th.

➢ To sign up please visit: https://roosterspringsuil.weebly.com

REGISTRATION CLOSES at 4:00 PM on SEPTEMBER 20 for Ready Writing and at 4:00 PM on SEPTEMBER 27 for all other events.

Coaching sessions for students will begin September 23 for Ready Writing and on October 1 for all other events.

For questions or for more information, contact UIL Coordinators:
Natalie Mahany: natalie.mahany@dsisdtx.us
Whitnee Dunn: whitnee.dunn@dsisdtx.us

U.I.L. Elementary School Events

***Please note the grade level requirements listed for each event***

Creative Writing (Grade 2): Coach: Ms. Chappel
Students are given several captioned pictures from which to choose. From these, the students create an original story based on their selections. Students have 30 minutes to complete their writing. This event encourages writing skills and creativity in an academic format.

Storytelling (Grades 2, 3): Coach: Mrs. Landry
Students are read a brief story. They retell that story in their own words before a panel of judges. The students will be coached to use facial expressions, vocal variety, originality, gestures, articulation, and enthusiasm. This event encourages listening, thinking, and creative expression.

Chess Puzzles (Grade 2,3,4,5): Coach: Mrs. Dunn
Chess puzzle competition is very different from tournament chess play. Contestants in a chess puzzle contest receive a paper-and-pencil test that includes a series of chess boards with pieces in particular positions. The contestant must then determine the fewest moves to checkmate given that particular board layout. Time is also a factor - contestants are scored based on the most puzzles solved in the least amount of time.
Music Memory (Grades 2, 3, 4, 5): Coach: Mrs. Larsen
The focus of this contest is an in-depth study of fine pieces of music literature taken from a wide spectrum of music genres. Students will listen to 20 musical selections and identify the name of the major work, selection, and the name of the composer. This event exposes students to great composers, their lives, and their music.

Spelling (Grades 3, 4, 5): Coach: Ms. Brayton
This contest is designed to give students exposure to a wide variety of vocabulary words. Students will study a list of pre-selected words and learn to spell proficiently, write clearly, and capitalize words properly. Students will write down words read to them at a rate of approximately five words per minute.

Ready Writing (Grades 3, 4, 5): Coach: Mrs. Mahany
Students are given a choice between two prompts which define the audience and provide the purpose for writing. Students will be coached in various writing strategies in order to write a paper that is interesting and original. A dictionary and thesaurus may be used during the contest. Students may participate in this event in addition to another event.

This event is held on Mondays ONLY.

Art (Grades 4, 5): Coach: Mrs. Heintz
This contest involves the study of paintings from the National Gallery of Art in Washington, D.C. and paintings from selected Texas museums. Students will demonstrate an understanding of art history while making informed judgments about the artwork. For the contest students will be required to identify the artist’s name and title of 15 paintings selected randomly from the official list of 40 paintings. There are also questions about art elements and art history characteristic of the 40 art selections.

Number Sense (Grades 4, 5, or students receiving math instruction in grades 4,5) Coach: Mrs. Amrine
Students will be coached to make quick mental calculations using various mathematical strategies. Concepts covered include, but are not limited to: addition, subtraction, multiplication, division, proportions, and use of mathematical notation. For the contest, students will be given a ten minute, fill-in-the-blank test which they must complete without doing any calculations on paper or on a calculator.

Oral Reading (Grades 4, 5): Coach: Mrs. Wilson
Students read aloud a self-selected published poem before a panel of judges. The written text may be used during the contest. The maximum time for the presentation is six minutes. This contest provides opportunities for students to analyze text, develop as a performer, communicate a message to an audience, and to interpret and perform an artistic creation.

Maps, Graphs, & Charts (Grade 5): Coach: Ms. Cruz
This contest is designed to help students develop skills such as using a reference book to locate information, making comparisons, estimating and approximating, using a map scale and interpreting grid systems, legends and keys. Students take an objective test containing approximately 75 multiple choice, true/false, and fill-in-the-blank questions which must be answered in 45 minutes.

Social Studies (Grade 5): Coach: Mrs. Laws
Students are encouraged to expand their knowledge of social studies, particularly in the areas of history, government systems, economics, citizenship, and culture. Students will learn about focused primary source documents. An objective test containing approximately 40 questions must be answered in 30 minutes.
Math Pentathlon Information Night

Mathematics Pentathlon® is a time-tested program of interactive problem-solving games. This motivational program strengthens basic math concepts and skills while stimulating creative thinking and developing problem-solving skills.

At Rooster, students in grades K-5 will learn and practice the games afterschool. But our students can only achieve their potential with active volunteers helping them. Thus all students will need at least one adult volunteer to attend practices. Learn more about the Math Pentathlon games, and how we practice at Rooster, at information night:

Wednesday, September 11th from 7:00 to 8:00 pm in the RSES cafeteria!

For more information on the general program, visit http://www.mathpentath.org. For more information on the program at Rooster check out our new website rsesmp.weebly.com; Questions? rses.mathpentathlon@gmail.com
Subs R Us Trainings 2019-2020 School Year

Parents may attend any session that fits your schedule and Assistant Principals will share contact information with appropriate school.

Dripping Springs Elementary
September 26th @ 9:30 am
(immediately following PTA meeting)

Rooster Springs Elementary
September 11th @ 9:00 am

Sycamore Springs Elementary
September 10th 9:15-10am

Walnut Springs Elementary
September 20 @ 9:15 a.m.

---------------------------------------------------------------

What is Subs R Us?

Subs R Us is a program that parents can volunteer to cover a classroom teacher for up to 3 hours per day. Teachers must remain on campus. The purpose is to allow teachers a short period of time to meet together as a team, go to training or plan while on campus. Parents may cover any grade level classroom, but they usually like to cover their child’s classroom teacher. Volunteers may attend the RSES training or any of the sessions at our other D.S. campuses.

Dear Parents,

The PTA is helping out your teacher and soon-to-be Room Parents by gathering class volunteer interest and class directory information today. The student information provided below will be used by the Room Parent for the sole purpose of communication with the parents in the class and to post the directory information on a class website or emailed directory. Please complete the form below and return to your teacher ASAP. The class volunteer interests will also be shared with the PTA by your student's teacher.

~Natalie Kemp, RSE PTA VP of Volunteers, volunteers@rsepta.org

2019-2020 RSE Shirts

RSE students wear class shirts on field trips and during events on campus throughout the year. This year shirts will also be used for a new House system. Each class has its own color within the house/grade level but all feature the same tiger design. Shirts are $9 and can be ordered online only.

Online Store is open August 22–September 21. No shirt orders will be taken after the deadline. No refunds or exchanges.

![2019-2020 Class T-shirt Color List](image)

**HOW TO PLACE ONLINE ORDERS:**
Go to [http://spiritworx.com/store/8132/](http://spiritworx.com/store/8132/) Select your child’s teacher in the dropdown menu. Choosing the correct homeroom teacher will secure the correct color shirt. Complete the order process as directed by the website. T-shirts will be delivered in bulk to the school and volunteers will distribute to classrooms.

To view the t-shirt color chart in color, visit our website [www.rsespta.org](http://www.rsespta.org)
Entries in the categories of Dance Choreography, Film Production, Literature, Music Composition, Photography, and Visual Art will be accepted through Late Fall of 2019!
National PTA’s Reflections program has helped students explore their own thoughts, feelings and ideas, develop artistic literacy, increase confidence and find a love for learning that will help them become more successful in school and in life.

Each year, over 300,000 students in Pre-K through Grade 12 create original works of art in response to a student-selected theme. The theme for the 2019-2020 program year is Look Within. Students submit their completed works of art in one or all of the available arts categories: Dance Choreography, Film Production, Literature, Music Composition, Photography, Visual Arts.

Student winners from the local level have the opportunity to move up through their district, region, council and state PTA programs to the national level. National Reflections winners are announced in May and celebrated annually at National PTA’s Convention & Expo in June. National PTA then collects and curates the traveling exhibit for the next year.

**Our OWN 4TH Grader TATUM THEIS received State Level Honorable Mention for her Original Dance Choreography!**

***Entry Applications will be available on the RSE PTA Website within the next couple weeks and hard copies will be available in the Front Office as well! We are looking forward to our FIRST Rooster Tiger competing at the National Level! Will that Student Be YOU???

UNLEASH STRONG!
BE A GIRL SCOUT.

FIND A TROOP TODAY!

Picture this: a no-limits space designed specifically for girls, where they're inspired and empowered to reach their full potential and accomplish amazing things. That's Girl Scouts!

Backed by more than 50 million girls and women to cheer her on every step of the way, her lifetime of leadership, success, and adventure starts here.

Sign up today at www.gsctx.org/join.

WHY SHOULD I JOIN GIRL SCOUTS?

• Girl Scouts has proven, and outside research has proven, that girls learn best in an all-girl environment where they can explore their potential, develop skills, and feel encouraged. Our girl scout program grows girls into successful leaders.

• Girls are nurtured in small local troops led by dedicated volunteers who have been trained and screened for girl safety. We keep girls safe. We offer programs in outdoors, community service, develop potential, and have hands-on programs in technology. Girls are offered a wide variety of experiences to enable them to choose the path they wish to follow in life.

• 107 years of tradition and sisterhood, and 50 million members and alumni know that Girl Scouts is the BEST way for girls to build courage, confidence, and character!

Troops are forming and filling now! Visit https://www.gsctx.org/en/about-girl-scouts/join.html to find a troop near you, or email DSWSUSUDS@gmail.com with any questions!

Español is Fun (Gr. K-5)
Take advantage of the window of opportunity that kids have to learn a language naturally and mimic native accents flawlessly. Students learn Spanish through fun songs, activities and games and more while conjugating verbs, learning vocabulary and basic conversation skills. Instructor encourages students to start speaking Spanish on day ONE! Basic knowledge of greetings, colors and numbers in Spanish is encouraged. Take home vocabulary to practice with family and friends. (No previous knowledge of Spanish required.)

Little Coders (Gr. 1-2)
Get them started early! The Little Coders class provides young students with the basics of computational thinking skills, such as loops and conditionals, through a fun blend of hands-on activities. The curriculum is built specifically for this age group, with a mix of activities from coding puzzles and board games to easy-to-use, drag-and-drop programming tools. Projects are updated each session, so returning students will have new challenges to work through and advance their knowledge.

Mad Science: NASA: Academy of Future Space Explorers (Gr. K-5)
Young scientists will encounter outer space in a fun, hands-on environment that incorporates the educational standards required by the STAAR test. Join Mad Science for an amazing session with a new topic each week! NASA: Academy of Future Space Explorers will include the following topics: Planets, Moons, Atmosphere & Beyond, Sun & Stars, Space Travel, Space Technology, Rocket Science, Space Phenomena and Living in Space. Young scientists will experiment with gravity, witness a rocket launch, train to be an astronaut and more! Exploration will continue at home with a take home project each class. Join the fun and become a “Mad Scientist”.

PE! PE! PE! (Gr. K-5)
Do you LOVE PE? If so, this class is for you!! It is all about having fun and playing our favorite PE games, like Big Bubba, Nuke Em, Sharks and Minnows, Scooters, Soccer, Cup stacking, Knockout, silly relays and more! You will be laughing, playing and having fun, all while burning off some energy and exercising. It is a non-competitive, safe, fun-filled class that encourages kids to live physically active lives and offers an opportunity for them to focus on their cooperation, teamwork and character-building. This class is led by Mrs. Diez, SSES PE Teacher and DSISD’s 2019 Elementary Teacher of the Year. To all my PE-loving friends out there, you don’t want to miss this!

TGA Premier Youth Tennis (Gr. K-5)
Come serve it up with TGA Premier Youth Tennis at your school! TGA has partnered with the United States Tennis Association to create a fun and innovative tennis program for your child that takes place after school on campus. TGA’s 5 level elementary school curriculum includes games, drills and physical fitness activities that improve motor skills, agility and hand-eye coordination. Every TGA class focuses on academic concepts developed by educational experts, the rules and etiquette of tennis and skill development. TGA brings all of the equipment, training materials and a 10:1 student to instructor ratio to allow for plenty of individual attention. Our goal is to not only develop our student’s tennis skills, but to give children the building blocks for future achievement on the tennis court and in life.

DSE  Thurs  Sept 26– Dec 5  3:15 – 4:30 pm  Gym A

Video Game Development - Beg/Int (Gr. 3-5)
This course introduces kids to computer programming through the fun and excitement of building video games. Working in Scratch, a drag-and-drop programming tool, students will create everything from animations to multi-level games. Beginner students will learn the core concepts of programming a game, such as loops, conditionals and variables. Intermediate students will level-up to more complex concepts, like nested conditionals and functions with parameters. Projects are updated each session, so returning students will have new challenges to work through and advance their creativity and knowledge to the next level.

DSE  Wed  Sept 25 - Dec 4  3:15 – 4:30 pm  Rm 507

for classes that do NOT make the minimum registration.
Register Early, Some Fill FAST!

Parent’s Night Out (Gr. K-5)
This one is a WIN-WIN for parents and children alike! If you are trying to navigate the aftermath of the Halloween sugar rush, Parent’s Night Out at SSES is here to help! We are offering parents the opportunity to spend a few hours on Friday night (the day following Halloween) doing whatever they’d like, while resting assured that their children are in great care. For this night only parents can drop their kids off at SSES, from 6-9 pm, where the kiddos will play with other children and be taken care of by a wonderful staff. Children will be participating in a variety of games, crafts, art and music. This fun-filled night is led by Mrs. Diez, SSES PE Teacher and DSISD’s 2019 Elementary Teacher of the Year, and other DSISD staff. Pizza will be included.

SSE  Fri  Nov 1  6:00 pm - 9:00 pm  SSES Gym
