INDEPENDENT SCHOOL DISTRICT

Chromebook/Hotspot Return

DSISD Chromebooks and hotspots that have been checked out for the 2021-22 school year must be returned May 24-26. This year, all devices and cables must be returned to school for check-in and inventory. However, if parents of current sixth- through 11th-grade students sign the 2022-23 checkout agreement prior to Monday, May 23, 2022, students returning for the 2022-23 school year may check out their Chromebooks over the summer for extended learning. **Please note that the extended checkout does not apply to hotspots. Hotspot internet access may be disabled on or after May 26.**

To sign the agreement renewing checkout for 2022-23:

- Log into Family Access
- Select Online Forms
- Choose the 2022-23 Device TOU Agreement
- Complete and submit the form for each 6th-11th grade student who will check out a Chromebook over the summer.

Hotspot Collection

All district hotspot devices must be returned to campuses no later than the assigned date shown below. **Hotspots are not subject to summer checkout.**

Please ensure that all hotspots are returned with the corresponding charger and cables. Hotspots should also be returned with the original box, if available, for the speediest check-in. Elementary students who have checked out hotspot devices need to return them to the CL&I.
