- Bring two #2 pencils, no mechanical pencils.
- Bring a PSAT-acceptable calculator. A list of acceptable calculators as well as the calculator policy can be found at [PSAT Calculator Policy](#).
- You may bring a snack and water if you wish.

ACCOMMODATIONS

More information about the PSAT, including information for students who need accommodations, can be found at [Homeschooled Students and PSAT/NMSQT](#).

SCORE REPORTING

Scores for this assessment will be available on the students [College Board account](#) approximately 8 weeks after the PSAT assessment date.

WHY SHOULD YOU TAKE THE PSAT?

Most colleges and universities require a student to complete either the SAT or ACT as part of the application process. It is a good idea to practice for the SAT by taking the PSAT. Additionally, the PSAT is a great way to show college readiness for future dual credit coursework. Once the scores are available, students can see their answers, the correct answer, areas of strength, and areas of growth.

RESOURCES
