

Name: Ron Jones

Years in Dripping Springs: 23

Current Occupation/Position: Sales: Education Technology

Previous Occupations/Positions: Sales Executive, The Scholastic Network, Regional Director
Vocabulary.com

Education: BA – Business Administration from Otterbein University

School/District Involvement: Dripping Springs Education Foundation

Community Activities: Volunteer Burke Foundation, DS Wild Game Dinner, DS Lions Club, Advisory
Board for Sun Radio (KDRP), Board member for Friends of Texas Public Schools

Family Information: Hamilton DSHS graduate 2010 and Matthew DSHS class of 2014

Why You Would Like to Serve on DSISD Board of Trustees: First term in 2014 – always advocating for
students and attempting to provide the same or better opportunity for current and future students –
similarly because people had to make difficult decisions for our kids to have the kind of success they
have enjoyed.

Philosophical Statement: I believe strongly that most people moved to Dripping Springs because it is a
superior community with impressive public school district. There are many reasons why our students
are well prepared for the time after their primary and secondary school experiences here, and I remain
committed to paying it forward.
