

INDEPENDENT SCHOOL DISTRICT

SETTING UP WEBSITE ALERTS

When certain content is updated on the DSISD website, an e-alert message will be sent to anyone who has registered on the website and subscribed to specific areas of the site.

(DSISD parents should have a Blackboard account; **jump to highlighted line on the second page.**)

For non-parents, click the **My Options** button in the top right on the DSISD website, then click **Register** in the dropdown menu.

Enter your date of birth to validate age.

Your birth date information is collected only to validate your age and is not stored.

Enter your birth date and click submit.

/ / *Example: 04/05/1975*

Submit

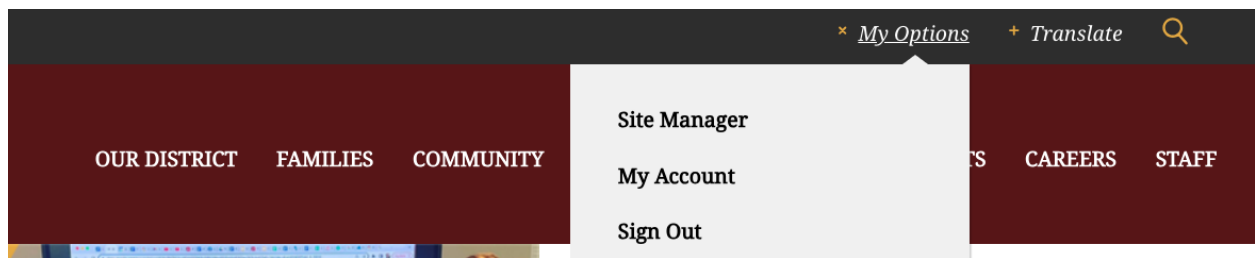

Enter the requested information, and once you have agreed to the Terms of Use, click **Submit**.

Enter your first and last name, email address, user name and password. If you want, you can fill in the other items.

* **First Name:**

* **Last Name:**

EXISTING BLACKBOARD USERS CAN CLICK ON MY ACCOUNT ONCE LOGGED IN.

Click **Subscriptions**, then **Manage**.

Subscriptions

Manage the sites and areas that matter to you. When certain dashboard. Editors can also email you with information about

“**Sites**” refers to the district and each of the eight schools. “**Other Areas**” refers to departments or various pages on the website that you may wish to follow (examples: Athletics, Board Agendas, Bids/Proposals, etc.). These options basically connect to a webpage within the site; if that page is updated, you will receive a notification. Once you have finished your selections, click **I’m Done**.
