

INDEPENDENT SCHOOL DISTRICT

August 15, 2022

Dear DSISD Parents and Guardians,

As part of Dripping Springs ISD’s commitment to student safety and mental health, beginning in Fall 2022 we are launching an anonymous reporting program, which will allow students and parents to make anonymous reports about concerns about safety or student wellness. Our program is student-focused, as opposed to crime-focused, meaning it is a tool for alerting caring adults about students who need help—not snitching. This is part of our continuous effort to increase campus and student safety, and provide students with a safe, completely anonymous outlet to share concerns.

Students can use our new P3 Campus app to report: bullying, suicide concerns, depression, sexting, stealing, threats, cutting, abuse, dating and domestic violence, fights, drugs, alcohol, weapons, or other types of dangerous situations that threaten their safety or the safety of others. *Their reports will be addressed by a trained team of school officials and law enforcement, when necessary.*

When you or your student have a concern, you can go to [P3Campus.com](https://www.p3campus.com) on your computer, tablet, or laptop -- or you can download the free P3 Campus mobile app -- and make a 100% anonymous report in less than five minutes. The link is also available on the district website through this [link](#). The new P3 Campus tool replaces the former version of the Tiger Tip Line that was powered through BlackBoard.

The use of anonymous reporting apps in state programs like Safe2Tell Colorado has proven to be successful in providing the tools and information needed for school officials to proactively address concerning behaviors, potential incidents of violence, and other harmful situations on campus before they develop.

We look forward to working with you to continue to make DSISD as safe as possible.

Sincerely,

Sirena Cumberland
Director of Safety
